RELATIVE TO THE REVISION OF WARD BOUNDARIES

MOTION BY ALDERMAN CHASSE TO RECOMMEND FINAL PASSAGE OF O-11-73

ON THE QUESTION

Chairman Clemons

Attached with our agenda was an amendment proposed by the City Clerk. Essentially what this does is it moves several areas that were supposed to go into Ward 3 on the map that is in front of you back into Ward 4. It also moves one section that was supposed to go from Ward 7 into Ward 4 back into Ward 7. The reason for these moves are two State Representatives who were effected by those changes; one was Representative Hogan who would have been moved out of her Ward 7, the other was Representative Gorman who would have been moved out of Ward 4, which they are currently representing. Obviously we don't want to do that, we want to try to keep the folks representing their districts in their districts.

That combined with a couple other changes that were proposed to make sure the wards were within that deviation range the Clerk had talked about, gets us there, and that is what this proposed amendment is.

**MOTION BY ALDERMAN CLEMONS TO AMEND O-11-73 IN ITS ENTIRETY BY REPLACING IT WITH
THE AMENDED VERSION THAT WAS PROVIDED WITH THE AGENDA

**MOTION BY ALDERMAN CHASSE TO RECOMMEND FINAL PASSAGE OF O-11-73 AS AMENDED
